Please inform a member of staff if anyone in your party has a food allergy or intolerance before ordering. We can then advise you about our ingredients. Please note that as allergenic ingredients, including nuts, are present in our kitchen, we are not able to guarantee that any dish can be made 100% allergen free. Please note that we use ingredients containing gluten in the kitchen, including making our own pizza dough with wheat flour, so despite our best efforts, gluten may be present as we do not have a separate area for producing gluten free food.
